RRE Properties

21 Myrtle Street BOTANY NSW

3 2 2

RRE Properties successfully sold the Greenview Project within a 4 week period for record prices in Botany. The project was sold in built form.
RRE provided full project marketing including
Cutting edge advertising both nationally and internationally
Targeted buyer database through RRE CRM
Dedicated 24 hour sales team onsite and throughout the project
Settlement and post settlement coordination
Setting a benchmark for price in the area for townhouses, our team successfully targeted the right buyer demographic both nationally and internationally.
Client Testimonial:
â??We have found RRE to be very experienced at what they do and they really believe in a strategy that works. The
