

## 21 Myrtle Street BOTANY NSW

3  2  2 

RRE Properties successfully sold the Greenview Project within a 4 week period for record prices in Botany. The project was sold in built form.

RRE provided full project marketing including Cutting edge advertising both nationally and internationally Targeted buyer database through RRE CRM Dedicated 24 hour sales team onsite and throughout the project

Settlement and post settlement coordination Setting a benchmark for price in the area for townhouses, our team successfully targeted the right buyer demographic both nationally and internationally.

Client Testimonial:

“We have found RRE to be very experienced at what they do and they really believe in a strategy that works. The result we obtained was over what we had desired so we are really happy with both RRE and the team. Michael”
