RRE Properties

Freestanding Factory in the Heart of Botany

RRE Properties is proud to offer this freestanding industrial warehouse/factory located centrally in Botany just moments to Mascot Airport and Port Botany. With various work zones over two levels, the property enjoys a flexible workspace with further scope to redevelop if needed (STCA). Set on approximately 490sqm, properties such as these are becoming a rarity in today's market.

Flexible B7 Business Park Zoning under Bayside City Council LGA allowing a number of different activities, business opportunity.

The property features:

*Huge floorspace separated into two levels

*High clearance roller door with parking accommodating 3 spaces externally
